# MINIPIPISTRELLO CORD-LESS

LED

NEW VERSION

design Gae Aulenti, 2013 - 2017

Grazie alla tecnologia a Led il Minipipistrello è disponibile, oggi nella nuova versione portatile, dimmerabile, cord-less, con batteria ricaricabile e sensore touch. Il Minipipistrello, pronto da portare ovunque tu desideri: per una cena romantica, un appuntamento in terrazza, un compagno ideale per chi non vuole limiti. Sistema cord-less ricaricabile (carica batteria e batteria forniti) tramite porta Micro-USB/ Type-C durata 4/5 ore. Ricaricabile anche con power-banks compatibili. Lampada a luce diffusa, telescopio in acciaio inox, diffusore in metacrilato opal bianco, base e pomello in alluminio verniciato nel colore bianco o testa di moro.

Thanks to LED technology the Minipipistrello is available today in the new portable version, dimmable, cord-less, with rechargeable battery and touch sensor. The Minipipistrello, is ready to take you wherever you want: for a romantic dinner, a meeting on the terrace, an ideal companion for those who do not want limits. Cord-less rechargeable system (battery and charger supplied) by Micro-USB port / Type-C duration 4/5 hours. Also rechargeable with power-compatible banks. Lamp with diffused light, stainless steel telescope, diffuser in white opal methacrylate, painted aluminium base and knob in white or dark brown colors.

Merci à la technologie LED la Minipipistrello est aujourd'hui disponible dans la nouvelle version portable, dimmable, sans fil, avec une batterie rechargeable et avec technologie tactile. Le Minipipistrello, prêt à vous emmener où vous voulez: pour un dîner romantique, une réunion sur la terrasse, un compagnon idéal pour ceux qui ne veulent pas de limites. Sans file système rechargeable (batterie et chargeur fourni) à travers le port Micro-USB / type C, durée 4/5 heures. Rechargeable aussi avec power banques compatibles. Lampe avec lumière diffuse, télescope en acier inox brossé, diffuseur en méthacrylate blanc opale, base et poignée en aluminium peint en blanc ou marron foncé.
